## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-20 are allowed.

2. The following is an examiner's statement of reasons for allowance:

In an Appeal Brief filed in response to the most recent office action, Applicant has persuasively argued that the keys referenced in the previous cited art (Khan, Mashayekhi) do not adequately correspond to the various keys in the limitations of each of the independent claims. No further art could be found that renders these claims unpatentable.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
